

Call for examples of good practice

You are invited to submit posters and papers on any aspect of working with drug and alcohol users in primary care.

The conference is the largest UK event for GPs, shared care workers, drug users, nurses and other primary care staff, specialists, commissioners and researchers interested in, and involved with the management of drug users in primary care.

Papers and posters can include a brief description of your service and how it was developed, how you overcame a local problem and/or improved practice, or research and audit that you have carried out.

We are interested in submissions of any film / other media that you have produced, including educational and training materials.

There are three options for presenters:

Paper: a 15 minute presentation of your research, audit or problem solving exercise

Poster: to be displayed in the exhibition area throughout the conference

Film / other media: to be screened/presented at the conference

You can make as many submissions as you wish but please indicate clearly on the form below which category your submission is intended for.

Your submission will be peer reviewed by a panel made up of the conference Chair and experts in the field. Feedback on submissions will be available.

Prizes

Winners in each category will receive a prize at the end of the conference, presented by the conference Chair. Category winners will also receive a free place at the 2019 conference.

General information

- All submissions will be peer-viewed.
- All posters will be exhibited throughout the event.
- Presenters whose paper, poster or other presentations are accepted must also book as a delegate to the conference and pay the registration fee.

Deadline for submissions

Friday 28 September 2018.

The judges decision on submissions is final.
